

# Calling all Green Thumbs!

**A plant stall will again be run at our School Fete.**

**However, to maximise profits we are hoping the school community may be able to assist in making this stall another success.**

How you can help:

- Do you have plants in your garden that can be separated and propagated? If you are willing to get potting that would be fantastic. Alternatively let us know if we can come and gather for you.  
Suggestions: Succulants, mondo grass and ornamental grasses, agapanthus, clivias, some herbs and flowers (anything attractive that can be separated whilst keeping the roots).
- Can you buy some seeds and get seed sowing with your kids? Dividing the seedlings into individual pots when big enough – This would need to be done now to be suitable for sale in October
- Can you donate a bag of soil or small-medium empty plant pots?

**Donations of plants will be accepted at school in the fortnight prior to the fete – drop off location tbc.**

**Alternatively, please contact [nat\\_bray@hotmail.com](mailto:nat_bray@hotmail.com) if you can provide plants, soil, pots or any assistance.**
