

HANGIN' 5 TOES

HAIR AND MAKE-UP

Dear 4A parents,

The school musical is just about here and there are just one or two things to finalise. Firstly, on behalf of myself and the children, a HUGE thank you to Narelle Mackell-Wong for co-ordinating our costume making and our band of helpers for giving up their time to help out. The children will look fantastic.

As you are probably aware, we have already discussed hair and make-up. The girls have mostly decided to wear their hair out but any style they feel comfortable with is ok. I'm very sure that mums have a much better idea when it comes to girl's hairstyles than I do! The girls have also decided to wear foundation and red 'lippyy' for their make-up.

The boys will only need gel or product in their hair in a 'scruffy' style as if they have been surfing and at the beach.

The boys and girls are very much looking forward to performing. My thanks for helping to get them ready.

Greg Anderson
