Dear Parents/Carers,

Welcome to Stage 3!

On **Tuesday the 2nd of February (Week 2)** Stage 3 will be going on their annual team building and cooperation excursion to Mangrove Mountain.

The excursion is run by Outdoor Education Australia with activities such as challenge ropes, giant swing, rock climbing and raft building.

The excursion is a springboard to a range of activities that will be run as part of our Leadership In the Middle School (LIMS) program – which has been re-energised this year for your Stage 3 child. LIMS aims to develop responsible, respectful and cooperative school citizens through a range of activities and opportunities.

Cost includes transport to and from the venue, as well as lunch. We will be departing school at 8am and will leave Mangrove Mountain at 4pm, returning school approximately 4.30pm.

The cost of the day is \$66. You must pay in full by Monday 1st February (Week 2)

AND return the permission slip and medical forms.

As indicated in the note sent home for this excursion at the end of 2015, the time frame for collecting money is unfortunately very short. **Payment and return of permission note promptly** is urged.

As a parent myself, I understand the stress this may place on some families. As we would like EVERY student to attend, please contact me on 43691246 if payment is an issue. This will be confidential.

Students will be required to wear sunscreen, a hat, old clothes, no jewellery, and bring a spare set of clothes to change into in a plastic bag. **Students will need to** provide their recess & drink bottle as lunch is provided.

I am looking forward to working with the 2016 Stage 3 students and commencing in such a positive, challenging and exciting way.

Many thanks,

Nicole Heazlewood - Stage 3 Assistant Principal
