

Pink Stumps Day

Friday, 26th February, 2016

Dear Parents,

Brisbania Public School will be holding a special “**Pink Stumps Day**” on **Friday 26th February**, to help raise needed funds for the McGrath Foundation who help support those suffering from breast cancer.

As part of the “Pink Stumps Day” we are asking that all children show their support by **wearing pink mufti** and **donating a gold coin**.

In the canteen at recess there will be some **yummy pink treats** to buy and there will be a special meal deal available.

The Meal Deal is; strawberry milk or water, hot dog and a musk stick. The cost will be \$5 with \$1 going to the McGrath Foundation. A pre-order note will be sent out shortly. There will be **NO flexi-school** ordering on that day, only manual ordering due to the volume of orders to be processed.

Stage 3 will then be invited to watch a **Charity match of cricket** between the Brisbania Cricket team and a parents and staff team at Davistown Oval. This will take place after recess and we should be back to school after the end of lunch. (Stage 3 Meal Deals will be given out at recess time).

A following permission note for Stage 3 will go home shortly.

As we are all affected by cancer in some way or another we feel that our support in assisting this foundation will be far reaching.

Thanking you for your support,

Sharon Howe and the Brisbania Boys Cricket Team
