1 HIGH STREET
SARATOGA NSW 2251

International Competitions and Assessments for Schools
University of NSW

Dear Parents,

The 2016 Science, Digital Technologies, Writing, English, Mathematics and Spelling Competitions are being held through the school again this year for interested students in Years 3-6.

The competition provides an opportunity for all students to gain a measure of their own achievement in an external assessment situation. It provides schools and teachers with a comprehensive reporting of results and also gives parents helpful information regarding their child's performance.

The competition takes place each year in schools throughout Australia, New Zealand and the Pacific Region and your child is invited to participate.

All students will receive a results letter that will detail the strengths and weaknesses in these subjects. All participants will also receive a certificate suitable for inclusion in portfolios or as a reference for student achievement.

Certificates are awarded for each year level as follows: **High Distinction** to the top 1% of entrants in the state; **Distinction** to the next 10% of entrants in the state; **Credit** to the next 20% of entrants in the state; **Achievement** to the students who are placed in the top 20% of their Year Level at their school but do not qualify for one of the above state certificates; **Participation** to all students who do not qualify for one of the above Certificates.

Medals are awarded to the top student(s) in each Year Level in each state, at the discretion of University of NSW.

More information can be found at www.eaa.unsw.edu.au

Please indicate below which Competitions your child wishes to enter and return the appropriate entry fee(s) to the school: **BY TUESDAY 28TH MARCH 2016.**
