

THE BIG BRISSY BALL DRIVE

Dear Parents,

Our stock of balls that we use for distribution in the playground has sadly dwindled to a low level. This was the case a couple of years ago when we decided to initiate the first 'Big Brissy Ball Drive.'

Thanks to the support of our parents, it was an overwhelming success. The idea is that families purchase a ball of some kind (tennis balls, hand balls, netball, soccer, basketball, rugby, AFL) which will be designated for use at lunch time as play equipment. Over time, our stock simply dwindles through use, loss and damage. The hope this year is that the children will bring their ball along to the

LAST ASSEMBLY OF THE TERM (Friday 1st July) which will be the 'BIG BRISSY BALL DRIVE DAY'

The students will be able to wear their favourite sporting jersey or uniform on that day to celebrate.

The number of balls we received at our last attempt was a fantastic reflection of our wonderful school community!

Here's to an even bigger

BIG BRISSY BALL DRIVE IN 2016!!!

Every bit helps, thank you - Greg Anderson, Sports Co-ordinator
