High School Enrolment Forms Year 7 2018

Friday 3 March 2017

Dear Parents and Caregivers

The High School Enrolment form for entry into Year 7 2018 has been sent home today. Accompanying this form is a set of 'Information sheets' discussing your options and procedures for enrolment of your son or daughter.

Please complete the enrolment form carefully and return it to your child's teacher by **Friday 17 March**. This allows us time to process the forms before forwarding them on to the High Schools.

EVERY student must return a form regardless of whether they will be attending a public school, independent school or overseas school. If a public school placement is not required then please complete SECTIONS A and E only.

Your child's designated local high school has been listed on the form. It has been determined by your residential address. If this school **does not coincide with your choice** please complete **SECTION C** requesting a non-local placement. If your residential address has recently changed and you have not notified the school, please inform Mr Lowe immediately.

If your son or daughter is sitting the **Selective High School test**, please ensure that you fill in **SECTION D** as this assists us with tracking the students.

Please sign all sections where a parent signature is required. All forms must be fully completed and brought back to school before they can be submitted. Your co-operation and swift action would be very much appreciated.

For further information, please do not hesitate to contact Mr Lowe.
