During waiting times at rehearsals and performances, students may be involved in games, sports activities, watching DVDs or other activities to keep them occupied.

### **PARTICIPATION**

It is the staff's expectation that **all students** participate in the rehearsal and matinee/night performances. These activities have been approved as part of the Creative Arts program. Students need to attend school on these days.

Participation in the musical develops performance skills (dance moves, keeping in time, working in unison etc.) It also develops the five keys to success: - Persistence, Getting Along, Confidence, Resilience, Organisation.

Whilst we understand that some students may have other commitments on the Thursday night, we ask that all parents encourage their child to be part of the performance. This is a great opportunity to perform to a live audience.

Please sign the consent form below and return with payment to your child's class teacher.

Thank you,

The staff of Brisbania PS
