CODES OF BEHAVIOUR

SPECTATORS' & PARENTS' CODE

- If children are interested in sport, encourage them to participate. Refrain from forcing an unwilling child to participate.
- Remember that children participate in organised school sports for their enjoyment and fulfilment, not yours.
- Teach your child that honest effort is as important as winning so that the result of each game is accepted without undue disappointment.
- Encourage your child to work towards skill improvement. Never ridicule your child for making a mistake or losing a competition.
- Always encourage the principle of good sportsmanship.
- Children learn best by example. Applaud good play by all individuals and all teams.
- Do not publicly question the officials' judgement and never their honesty.
- Appreciate the contribution and commitment of teachers in coaching positions. They give their time and resources to provide sporting activities for your child and deserve your support.
- Have realistic expectations for your child and her or his team. Do not expect more than they can give.
- Support all efforts to remove verbal and physical abuse from sporting activities. Condemn the use of violence in any form.
- Students play in organised sport for their own enjoyment. They are not playing to specifically entertain you.
- Always respect the decisions of officials.
- Never encourage physical or verbal abuse of players, coaches, officials or other spectators.
- Applaud good play by your own team and that of the opposing team.
- Show respect for your opponents. Without them there would be no game.
- Never ridicule a player for making a mistake or losing a competition.
- Encourage players to always play according to the rules.
