PERMISSION NOTES
Please send in a separate note for each child when permission notes are required. This makes it easier for the office staff to get the notes to the teachers, so they know students have paid for and have permission for excursions.

PARENT/TEACHER/STUDENT, SPRING FAIR and P&C MEETINGS
Thank you to parents who attended the teacher/student/parent meetings last Tuesday and the Spring Fair and P&C meetings.

If you have not paid for your child’s learning pack, please do so by Friday 13 March.

SPRING FAIR
SATURDAY 19 SEPTEMBER is our biannual Spring Fair. Lindsay Ivins has starting her organisation. She has already procured three platinum sponsors which is terrific! If you would like to coordinate a stall or assist, please contact Lindsay.

EASTER RAFFLE AND DONATIONS
Thank you in advance for donations towards our Easter raffle- Easter eggs, baskets, Easter craft etc and for supporting the raffle. Raffle books were sent home last week. If you require extra raffle books, return the first book to the office to get another one. Tickets are 1 for $2, 3 for $5 and 7 for $10. Please ensure the correct money is returned with the sold book.

STAFF DEVELOPMENT DAY (SDD)
On Wednesdays 18 and 25 March, the teachers are cashing in their 18 December SDD to attend two afternoon sessions on programming with the new PD/H/PE syllabus and Aboriginal education.

MOZZIES
The mozzies are particularly bad at present, even though we sprayed prior to the term beginning, this is the worst the mozzies have been for years. Please spray your child prior to coming to school each day.

BUSH FIRE SEASON and BRISBANIA PS
The bushfire season runs from 1 October to 31 March each year. As such, it is timely to remind the community that Brisbane PS is in a bush fire prone area and is placed on the Bush Fire Register of the Department of Education (DoE).

Should a catastrophic fire danger rating be issued, it is a DoE directive that the school be closed until the rating is lifted. Please be aware that the school will advise of closure via social media and the radio after 4:30pm the previous day. Staff would be required to report to the closest open school, while students are under parental supervision at home.
SECURITY
We have had intruders on the premises again over the past few weekends. Please call security if you see or hear anyone on the premises out of school hours - phone 1300 880 021.
No one should be on the premises out of hours without permission from the school principal.
Enjoy the week.

We’re proud to say 'Bullying. No Way at BPS!' We are putting our anti-bullying initiatives in the spotlight and calling on our school community to stand with us on Friday 13 March 2020. On this day we are encouraging all students to wear crazy odd socks and to take hold of the issue and talk about what works. Let’s support our students to drive powerful messages and take action to prevent bullying. We will begin the day with a whole school assembly hosted by our school leaders and throughout the day students will be involved in stage based activities.

P&C MEETING
We had our P&C meeting last Tuesday night. It was a great turn out and it’s exciting to see fundraising efforts getting underway for the year. Just a reminder that this year we are looking to raise $92k for 10 new smartboards and 30 new laptops for the school. You can follow our fundraising progress here or in the Office we will have a display showing where we are up to.

CANTEEN – Volunteers needed!
As you know, our canteen is dependent on volunteers each day. There are lots of different ways you can help out – from coming in for thirty minutes before school, through to being around for the recess and lunch rush. Even just once a month, the time you give helps our canteen stay awesome and stay open. If you are interested or would just like more information about what volunteering in the canteen could look like, send me an email dangodden84@gmail.com or call the school and ask to speak to Rose or Paula.

Also, please check Flexischools when making a lunch order – some parents have been missing siblings when ordering. Always read the receipt email to double check the order went through correctly.

UNIFORM SHOP
Uniform shop is open Fridays from 8:30-9:30am. To make it easy for yourself and the uniform shop team, please use the “Flexischools – Our Place” app to order (flexischools.com.au) and then just come to the shop for pickup during opening hours.

SPRING FAIR 2020
Thank you to all that came along to the Spring Fair meeting on Tuesday night. It was great to talk through some ideas. Thanks also to everyone who has offered to help at the fair already. Your support is very much appreciated and a great encouragement! We would love every class to have a stall coordinator by the end of the term. The classes that still need coordinators are: KK, KN, K/1C, 1M, 2M, 2C, 3V, 4L, and 6M

Stall ideas that we are suggesting are: BBQ x 2, Cake stall, Plant stall, books, ticket sales, face painting, Hoopla, Pick a stick, Guess the ??, Splat the Rat, Back field activities, and art stall. Any other fun ideas are welcome!

If you are able to help out, please contact your class teacher and fill out the stall coordinator note that was sent home last week, or contact Lindsay Ivins at lindsayivins77@gmail.com

We are also looking for outside stall holders. The more stalls, the more fun for everyone to enjoy! We would love to support your small business/adventure by having your stall at Spring Fair 2020.

We have had three businesses already agree to becoming platinum sponsors of the Spring Fair. We want to say a HUGE THANK YOU to Edge Real Estate at Saratoga, Blooms the Chemist Saratoga, and Saratoga Medical and Dental.

We would love to hear from any other businesses that would be interested in sponsoring our Spring Fair in order to make it a fun day for everyone. Information on sponsorship can be found in this Monday note or you can contact the fair coordinator, Lindsay, at lindsayivins77@gmail.com or call her on 0415 210 028.

VOLLY OF THE WEEK
The Volly of the week is Caitlin! Caitlin manages our school uniform shop as well as being a regular helper in the canteen. I asked Caitlin a couple of questions last week:

What year are your kids in? Year 6 and Year 2

What’s your favourite Sara/Davo spot? On my couch watching Netflix! Haha. Maybe I should say the waterfront.

What was your best day volunteering at Brisbania? I love the canteen. It’s convenient to jump in and help for a few hours and Paula and Rose make it easy.

Thanks for all your hard work Caitlin! Hope you all have a great week and stay safe.

Dan Godden
P&C President
We will be holding the 'Easter Chocolate Basket Raffle' again this year to support our ongoing fundraising for new technology for our school.

Tickets will be sent home to the youngest child, 1 (one) raffle ticket booklet of 10 tickets for your family to sell. If you would like more tickets, please return the completed book with money to the office and we will provide you with another booklet to sell.

There will be a prize of an Easter egg basket to the person that sells the most tickets. Please note that all tickets and money, sold or unsold, are required back to the school office by 6 April to enable all tickets to go into the draw.

The Easter Raffle will be drawn on 9 April after the K-2 Easter Hat Parade.

It would be greatly appreciated if every family is able to donate chocolate eggs and Easter craft activities for the baskets.

If you are able to donate items, please send them to the school office as soon as possible. If you have any baskets that you can donate for the raffle, we would love to have these too.

Thank you for your ongoing support.

Dear Parent/Guardian

This year we are holding our Spring Fair on Saturday 19 September. Without the fantastic support of our school community, we would be unable to make it a success.

We are looking for one stall coordinator from each class to help plan, organise and manage the stall with the support of your class teacher and a band of helpers from the other class parents.

As the lead coordinator for one of our stalls, your role would be to:

- Liaise with the class teacher on all aspects of the stall.
- Organize volunteers to run the stall on the day. A roster of approximately five people during the course of the day is a good idea and means everyone gets to enjoy the fair.
- Work out what equipment and resources your stall will need.
- Find businesses that will donate what you need.

Stall set up and clear down (first to arrive, last to leave)

My name is Lindsay Ivins and I’m the Spring Fair coordinator on behalf of the Brisbania P&C. My mobile phone number is 0451 210 028 and my email is lindsayivins77@gmail.com, please feel free to contact me if you have any questions.

Please complete the slip below and return to your fabulous class teacher as soon as possible, so that I can contact you as necessary. Please note that most contact is via email.

Suggestions for stalls are: crazy socks, slime and sand art, rock painting, Krispy Kreme donuts, chocolate wheel, face painting, lolly/chip and popcorn, fairy floss, snow cones, drinks, books, lucky dip, fresh fruit, feathers in hair, cake stall, carnival games, BBQ and a plant stall.

If you would be interested in organising one of these stalls or any other fun ideas, please fill out the form below. Thank you so much for all your help to make this a great day.

ANTI-BULLYING POLICY

At Brisbania Public School we believe that all students have the right to a safe, inclusive and supportive learning environment. Bullying, including cyber bullying; harassment and violence, is totally unacceptable behaviour. Bullying and harassment are issues that are treated very seriously as they can adversely affect a student’s ability to work and learn, therefore we work hard to find solutions to stop incidents from occurring.

Evidence suggests that the development of resilience and positive self-esteem can help to protect people from the harmful effects of bullying, as well as help them build positive peer relationships. The school will work with the school community and other services and agencies to support its students in being responsible and productive members of this community.

Definitions
Bullying: is repeated verbal, physical or social behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Conflict or fights between students and single incidents are not regarded as bullying.

Examples of Bullying:
- Physical: hitting, pushing, touching, grabbing, looks, stares, facial expressions, gestures, spitting, taking or damaging property
- Verbal or written: spoken or written insults, threats, suggestive comments, teasing, name-calling, unfair criticism, spreading rumours
- Graffiti/ Vandalism: using pictures, tags or words in a negative way
- Social: forming groups to exclude, ignore and disrespect; influencing, encouraging or organising someone else to be involved in any type of bullying or harassment

Cyber Bullying: refers to bullying through information and communication technologies uses e-technology as a means of victimising others. It is the use of an internet service or mobile technologies such as email, chat rooms, discussion groups, instant messaging, web pages or SMS, with the intent of harming another person. Cyber Bullying may involve varying levels of severity, ranging from occasional messages to frequently repeated and highly disturbing threats to a person’s life. Activities can include repeated negative messages, sexual and racist harassment, denigration, impersonation, trickery, exclusion and cyber-stalking. Cyber Bullying can occur from a single act when the message or picture is sent to more than one person. For example, a person who may only press send once, but the choice to send the message to multiple addresses, makes the action more than a single incident.

Discrimination occurs when people are treated less favourably than others because of: race, culture or ethnic origin, religion, physical characteristics, gender, sexual orientation, marital, parenting or economic status, age, and/or ability or disability.
Discrimination is often ongoing and commonly involves exclusion or rejection.

Harassment including Sexual Harassment is behaviour that targets an individual or group, and that offends, humiliates, intimidates or creates a hostile environment. Harassment is an ongoing pattern of behaviour.

Bystander Behaviour
A bystander is someone who sees the bullying or knows that it is happening to someone else. As bystanders, peers can reinforce the bullying behaviour through their own behaviour, disdainfully move away or intervene to stop bullying. Bystanders can be identified in the following categories:
- SUPPORTERS Support the person bullying, either by helping the child to bully the other person or by encouraging the person bullying
- SPECTATORS Gather or deliberately stay to watch the incident (sometimes from concern and sometimes for enjoyment)
- WITNESSES Are aware that the incident is occurring (know about the bullying or see it from a distance)
What we do at Brisbania Public to reduce bullying

- Annually review our Wellbeing Policy and associated procedures
- Each year all classes will use the social and emotional learning programme You Can Do It! which focuses on five key foundations to being successful and happy. These include resilience, getting along, confidence, organisation and persistence
- Participate in Rock and Water lessons
- Establish, model and maintain respectful working and learning relationships
- Staff and SLSOs will provide quality supervision in the playground
- Develop programmes and initiatives that enable students to have input into their learning, educate each other and promote a school climate that will not accept bullying
- Provide students with the knowledge, skills and support to be effective bystanders
- Develop and foster positive relationships with students and families
- Keep parents/caregivers and the school community informed about strategies we are using
- Provide professional development for staff
- Ensure all staff are aware of how to address incidents of bullying and harassment within the framework of our Wellbeing Policy and related policies and procedures
- Work in partnership with outside agencies to provide supplementary programmes for targeted students
- Work with students who report bullying by listening to their concerns and support them to develop a range of strategies to deal with such issues effectively
- Support parents by providing links to relevant websites and resources

What should a student do about bullying?

If a student is being bullied or knows someone who is being bullied, and other positive strategies have not been successful, it needs to be reported. Reporting of an incident should occur as soon after the incident as possible because this gives the school the best opportunity to follow up the incident and intervene.

WHO TO REPORT TO?
Report to teachers, Assistant Principal, Principal, other school staff and parents/caregivers

HOW TO REPORT?
Report where and how often the bullying is occurring and what has already been tried to stop it happening. Students’ responsibilities are to:

- Actively participate in social and emotional learning lessons regarding anti-bullying and developing positive behaviours
- Communicate with an appropriate adult if bullied or harassed or if they are aware that someone else is being bullied or harassed
- Not retaliate but allow the school to manage the incident
- Learn to be an effective bystander, so that bullying and harassment are discouraged through peer influence

What parents can do:

- Encourage their child to report incidents
- Work with the school and maintain regular contact with your child’s class teacher
- Support their child to not bully others
- Support their child to follow school procedures and not retaliate in such cases
- Not become part of the problem if they witness bullying, but to report the issue to the school
- Communicate in a respectful manner with the school staff about issues of concern as soon as possible after these concerns arise
- Keep the school informed of concerns about behaviour, their child’s health issues or other matters of relevance
- If you believe your child is being bullied and has not reported it, please report it.
HOW TO REPORT?

1. Arrange a meeting with an appropriate staff member (class teacher, Assistant Principal, Principal).
2. Bring to the meeting the facts in writing providing as much detail as possible about each of the incidents. Written details of bullying incidents should include: when, where, what happened, who was involved (including bystanders), and any action your child has taken to stop it.
3. Work with your child and the school staff on a plan to keep your child safe, including strategies to avoid being bullied and responses to future bullying. Please do not approach any children involved or their parents.

It is difficult for the school to follow up on an incident if it is unaware of it and, therefore we encourage students and parents to inform the school of such incidents immediately.

What the school will do when bullying is reported:

- Take all reports of bullying seriously and record the incidents
- The role of bystanders in bullying situations will be acknowledged and recorded details will include who was a bystander
- Actively listen and talk to the target and the perpetrator, at all times reassuring the target that they have shown strength to report
- Where appropriate, parents will be informed and asked to meet with a member of the executive team
- The bullying behaviour or threats will be investigated and the bullying stopped quickly. Responses may take the form of counselling (for both the target and the perpetrator) or adult mediation.
- After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place
- Put appropriate consequences into place if required. Consequences will be dependant upon the nature, severity and extent of individual cases and may include: student removed from class/playground; on-going monitoring of behaviour; apology; counselling; parent/student/school conferencing; suspension.

Every student is known, valued and cared for in our school.

Traffic and Parking around your School

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. Please consider the residents when parking in streets surrounding your school.

- **A School Zone** is the area around a school with a speed limit of 40 km/h. Between the School Zone and End School Zone signs you must obey the school zone speed limit. The school zone speed limit only applies on gazetted school days and during the times shown on the sign.

- **School Bus lights** – buses use signs and orange flashing ‘wigwag’ lights to warn motorists and pedestrians that they are picking up or setting down school children. The lights begin to flash when the bus stops and the doors are opened. They keep flashing for about 30 seconds after the doors close and continue even after the bus moves off. You must not drive past the bus in the same direction at more than 40 km/h while the ‘wigwag’ lights are flashing as there may be children crossing or about to cross the road.

- **A No Parking Zone** means that you must not stop for more than two minutes. You must remain in or within three metres of the vehicle. No Parking Zones are suitable for dropping off and picking up.

**These signs mean you may stop here to drop off / pick up**

- **BUT you must**
  - stop for up to 2 minutes only
  - stay within 3 metres of vehicle

Kids look to you to keep them safe - please park legally in school zones

HEAVY FINES and DEMERIT POINTS APPLY

- **A Bus Zone** means that the area is restricted for bus use only. If hours of operation are shown, the restriction only applies to this time. You may use this area outside of these times.

- **A No Stopping Zone** means no stopping at any time.
