CHANGES TO PROTOCOL IF A COVID-19 CASE AT SCHOOL

In order to minimise disruptions caused to schools by COVID-19 cases, and to maximise the time our students have learning in the classrooms a number of changes to operations for schools will be introduced from today, Monday 29 November, for the remainder of Term 4.

Rapid antigen 'test-to-stay' program

A rapid antigen home testing (RAHT) 'test-to-stay' program will be available to any student who is a close contact of a COVID-19 case in a school setting. This will enable them to get back to school immediately following a negative PCR test and on the basis they do daily RAHTs before attending school across 7 consecutive days. This means that our students' learning is able to continue with minimal interruptions following a positive COVID-19 case. Full support will be available to help you implement this should it be required at our school and many other schools and students are already using RAHTs successfully.

Stay safe and well

P&C NEWS

Congratulation to everyone on their positions for the P&C 2022 Executive Team, I am very much looking forward to working alongside you all. 🧡

President: Lindsay Ivins
Vice President: Carla Kelly
Secretary: Shane Murray
Treasurer: Nathan Vant

We welcome Carla to the team and welcome back Shane and Nathan, thank you everyone.
Thank you to Mel Martin for all your hard work over the years, we will miss you.

Caitlin Richards is also stepping down from the position of Uniform Coordinator, Caitlin thank you for doing the most amazing job, we will miss you. Caitlin is happy to stay in the position until we find a replacement. If you are interested in the position or to hear more about what would be involved, please email: brisbaniapublicschool@pandcaffiliate.org.au

Congratulation to Mel Martin and Caitlin Richards on being nominated to become life members of the P&C, we thank you for all your support and service to the school community.

CANTEEN NEWS

The school canteen including today only has nine days left of service.
All items as they start to run out will be made unavailable on Flexischools.
However, if for some reason we get large orders on a certain item and we run out on the day your child may be offered an alternative.

Thank you from Paula and Rose for supporting the canteen on our return from Learning from Home, we have been busier than ever and we look forward to seeing the children in our new canteen in 2022.
Stay safe and have a Merry Christmas and a Happy New Year.

Paula and Rose

The Australian Government is supporting peak water safety bodies to declare the first day of summer, December 1st, National Water Safety Day, in a bid to encourage all Australians to make water safety a priority.

An unacceptable number of drownings occur during the months of summer with Australians making the most of the coastline, pools, rivers and lakes. Last season there were 248 drownings across Australia, with 39% of all drownings occurring during summer.

This year has been a difficult one for many communities and as we head to summer, we are expecting record numbers of people to visit our coastlines. With less opportunity to learn to swim in this last year it is more important than ever to ensure our children know how to stay safe on our coast and in our waterways.

To celebrate National Water Safety Day, we are bringing you **Red & Yellow Day** and we are asking schools to allow their students to come dressed in red and yellow to raise awareness of the red and yellow flags. Your children will be involved in activities through the day that will help them learn about coastal and inland waterway safety and will have fun watching Livestreams from our coastline brought to students by our very own Surf Lifesavers.

We urge you to engage with your children about the day and provide your children with opportunities to show you what they have learnt as you spend time at the water this summer – reinforcing these vital messages through practical experience is key to ensuring that our children know how to stay safe.

For more information on the day please visit [Red & Yellow Day 2021](#) online. For more information on how to stay safe on the coast please visit our brand-new [Beach & Coastal Safety Resource Hub](#).

We hope your children enjoy the day and have fun dressing up!

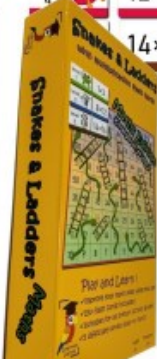

Have a safe and lovely summer!
